Training for business

Module 6 – Financial planning

A three hour seminar designed to take you through the process of preparing and analysing financial statements.

Aims of module 6

- provide you with the necessary knowledge to complete a cash flow forecast
 - provide you with the knowledge to complete a profit and loss account
 - describe the different methods of forecasting sales
 - help you prepare a projected cash flow forecast for your business
 - help you prepare a projected profit and loss account for your business
 - identify ratios and describe how they can be used for control and evaluation in a business
-

Financial planning is one of the most important elements of preparing to start a business, therefore it is important to get it right.
